

Juice – Whole Juice – Nothing But Juice **No Concentrate – No Preservatives - Not Pasteurised**

ORANGE JUICE

\$5.95 a glass (355ml)

Simply orange. For the best taste and quality we use only freshly picked Naval and Valencia oranges from the orchards of Serpentine.

CLOUDY APPLE JUICE

\$5.95 a glass (355ml)

The juice of Granny Smith apples is unfiltered to retain flavour and the crunchy apple pieces. A small amount of Vitamin C is added to maintain its cloudy green colour. Locally grown year round from the orchards of Pickering brook.

RED PASSION

\$5.95 a glass (355ml)

A flush of desire....mainly watermelon, but we have added strawberry and a splash of apple to this beautiful red coloured juice. Locally grown strawberries and apples, available all year.

POMEGRANATE FRAPPE

\$6.50 a glass (355ml)

Made in-house from 100% pomegranate juice, high in antioxidants & a great source of vitamin c, blended with summer berries, cloudy apple juice, ice & mint...very refreshing...very yummy...

LEMON JUICE

\$6.50 a glass (355ml)

A Blast...pure lemon juice, made from locally grown, freshly picked Serpentine lemons. Available all year round.

Go Troppo

\$6.50 a glass (355ml)

Hot and Steamy. The three tropical flavours of pineapple, mango and banana combined to make a thick smooth juice. Available all year round with fruit from the tropics of W.A and Queensland when not in season locally.

PINEAPPLE CRUSH

\$6.50 a glass (355ml)

Smash Hit ... The fresh thick full taste will send you to the moon and back. Queensland's very best pineapples delivered direct and available all year round.

BOOST

\$5.50 a glass (200ml)

Raise the Bar- Powerful nutrients from land and sea. Pure Boost contains carrot, beetroot and lettuce juice plus the daily requirement of organic Spirulina and organic Wheat Grass. Organically grown Spirulina (with a protein level of over 68%) is a plant plankton (seaweed) and contains complete B vitamins, amino acids, trace minerals and anti-oxidants. Organic Wheat Grass is an excellent source of chlorophyll, beta carotene, folic acid, vitamins, minerals, amino acids and fibre. Similar to that of dark green leafy vegetables.

POWER BEAN

\$5.50 a glass (200ml)

Cacao + soy. Raw organic Peruvian cacao, biodynamic soy, Jarrahdale honey & orange juice. Cacao is a powerhouse of anti oxidants & combined with the high quality proteins & B vitamins of soy, to provide a lactose free & fibre rich beverage alternative.

Please take advantage of our full range of cold beverages behind the till
